

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

Part A	
Data of the Institution	
1.Name of the Institution	N.S.S.Training College, Pandalam
• Name of the Head of the institution	Dr.P.G. Ajimol
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Alternate phone No.	04734252252
• Mobile No:	9496735322
• Registered e-mail ID (Principal)	principal_tcpdlm@yahoo.com
• Alternate Email ID	principaltcpdlm@gmail.com
• Address	N.S.S.Training College
• City/Town	Pandalam,Pathanamthitta
• State/UT	Kerala
• Pin Code	689501
2.Institutional status	
• Teacher Education/ Special Education/Physical Education:	Teacher Education
• Type of Institution	Co-education
• Location	Semi-Urban

• Financial Status	UGC 2f and 12(B)				
• Name of the Affiliating University	University of Kerala				
• Name of the IQAC Co-ordinator/Director	Dr.Ranjini Devi.S				
• Phone No.	9447461643				
• Alternate phone No.(IQAC)	Nil				
• Mobile (IQAC)	Nil				
• IQAC e-mail address	iqacnsstcpdlm@gmail.com				
• Alternate e-mail address (IQAC)	Nil				
3.Website address	http://nsstcpdlm.org/				
• Web-link of the AQAR: (Previous Academic Year)	http://www.nsstcpdlm.org/AOAR2020-21.pdf				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	http://www.nsstcpdlm.org/pdf/College-calendar_2021-22.pdf				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B++	80.75	2005	20/05/2005	19/05/2010
Cycle 2	A	3.24	2014	24/09/2014	23/09/2019
6.Date of Establishment of IQAC	15/12/2005				
7.Provide the list of funds by Central/ State Government-UGC/ICSSR/ IUCTE/CSIR/DST/DBT/CPE of UGC/PMMMNTT etc.					
Institution/ Department/Faculty	Scheme	Funding agency	Year of award with duration	Amount	
Nil	Nil	Nil	Nil	00

IQAC		
9.No. of IQAC meetings held during the year	3	
<ul style="list-style-type: none"> Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes	
<ul style="list-style-type: none"> (Please upload, minutes of meetings and action taken report) 	View File	
10.Whether IQAC received funding from any of the funding agency to support its activities during the year?	No	
<ul style="list-style-type: none"> If yes, mention the amount 		
11.Significant contributions made by IQAC during the current year (maximum five bullets)		
7-day Value added course on Soft skills for the smart teacher on 15-9-21		
Short term course on NET/SET orientation -Life science on 27-9-21		
Short term course on NET/SET orientation -chemical Science on 29-9-21		
Short term course on NET/SET orientation -Physics on 25-4-22		
National level crash course on UGC-NET: Geography on 5-10-21		
12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year (web link may be provided).		

Plan of Action	Achievements/Outcomes
Webinar on research topics	Webinar on Understanding research paradigms in education on 7-6-21
Talks on NEP related themes	Webinar on Gandhian vision with special reference to NEP on 16-6-21
Guidance to attend competitive examinations	Class on Techniques to track competitive exams on 2-7-21
Orientation classes on on KTET/SET/NET	Two-day orientation programme on KTET & SET on 9-9-21
Cyber security awareness	Awareness class on Cyber security on 17-9-21
Soft skill course	7-day Value added course on Soft skills for the smart teacher on 15-9-21
Orientation classes on on KTET/SET/NET	Short term course on NET/SET orientation -Life Science on 27-9-21
Orientation classes on on KTET/SET/NET	Short term course on NET/SET orientation -Chemical Science on 29-9-21
Orientation classes on on KTET/SET/NET	Short term course on NET/SET orientation -Physics on 25-4-22
Orientation classes on on KTET/SET/NET	National level crash course on UGC-NET: Geography on 5-10-21
Classes by health personnel	Menstrual hygiene and reproductive health on 24-1-22
Community oriented programmes	Training programme on mushroom cultivation on 21-4-22
13. Whether the AQAR was placed before statutory body?	No
<ul style="list-style-type: none"> Name of the statutory body 	

Name of the statutory body	Date of meeting(s)
Nil	Nil

14. Whether institutional data submitted to AISHE

Year	Date of Submission
2021-22	21/01/2023

15. Multidisciplinary / interdisciplinary

A discussion among the faculty members were initiated on the key principles of NEP such as diversity for all curriculum and pedagogy with technological innovations in teaching and learning. The institution is planning to form a committee that will be responsible to implement the NEP-based curriculum in line with the national vision across all the programmes it offers. In addition to the existing inter/multidisciplinary research, institution is planning to encourage the research centre to undertake more inter/multidisciplinary research. Post graduate programme is already designed by the University to include Multidisciplinary /Interdisciplinary courses as electives and students get maximum flexibility to choose elective courses. In order to develop the all-round capacities of the students the college is preparing to include multidisciplinary /interdisciplinary short-term courses. The aim is to make the students equipped, pave a way towards employment. College is planning to identify programme learning outcomes along with courses outcomes that define the interdisciplinary knowledge, skills, attitudes and values that are to be acquired by the learner and to achieve this goal faculty members from different departments need to work together and share their knowledge and expertise in order to come up with a comprehensive plan. Institution is planning to undertake projects in the areas of community participation and service. Environmental education is given great importance in order to achieve a comprehensive and multidisciplinary education.

16. Academic bank of credits (ABC):

For successful implementation of Academic Bank of Credits, HEIs need to create digital repositories for storing and issuing credits with comprehensive documentation, as well as infrastructure for peer-to-peer credit transfer between HEIs. For this the institution has to wait for the instructions of the University as our institution is an affiliated college. The pedagogical approach of the institution is student's centric where the faculty use constructivist and collaborative approach. Institution encourages students to join the

Massive Open Online Courses (MOOCs) offered through the SWAYAM platform .The institution opt for academic collaboration between other institutions. But to enable credit transfer from all these we have to wait for decisions made by the University.

17.Skill development:

Institution ensures experience-based learning like internships as this helps bridge the gap between theoretical knowledge and practical application. Some provisions of NEP 2020 also mandate skill certification criteria for students that take practical or vocational courses, so institution is planning to implement skill development programmes. To strengthen the soft skills of students, institution has already conducted short term courses in soft skills including 21st century skills such as creativity, critical thinking, problem solving, goal setting and decision making which are becoming increasingly important as classrooms and workplace. The institution is providing value-based education to inculcate positivity amongst the learner that includes the development of humanistic, ethical, constitutional, and universal human values, scientific temper, citizenship values, life-skills etc. through observing important days like Independence Day, Republic Day, World Aids Day, Environment Day, Human Rights Day etc.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Institution is promoting regional language by using bilingual system in both teaching, evaluation and internship. Students are learning about ancient education systems as part of curricula. Yoga is also part of curriculum in both undergraduate and post graduate programmes. During internship students teach yoga to high school students. students Moreover institution organises short term courses and workshops on yoga. All the faculty members are using bilingual mode both in online and offline teaching. Fine arts and performing arts are studied by students. Workshops and other creative activities are also undertaken by students which help them to understand our culture and Indian heritage. Institution is planning to organise more programmes related to national culture and heritage.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Teacher education curriculum implemented by our institution has already transformed to outcome-based education. Curriculum highlights programme outcomes and course outcomes clearly. Institution is planning to encourage faculty members to use mores student-centric teaching methods. Students have access to a variety

of resources that range from audio-visual materials to classroom simulations. Institution plans to ensure that the educational experience offered is more holistic and effective and that the learning outcomes are being met. Faculty members are properly trained on OBE which was done during the time of curriculum change. Institution ensures provisions for timely feedback on assessment results so that teachers can identify areas for improvement.

20.Distance education/online education:

Due to Covid 19 pandemic, educational institutions in the country have been using digital platforms for engaging classes. Our institution encourages students and teachers to use online platforms appropriately. Faculty members and students were given training in the use of technology with the help of various workshops and webinars. In addition to online teaching, various webinars and faculty development programmes were conducted using google meet and zoom. Our institution uses a common Moodle platform which can be used by all faculty members and students. Various asynchronous learning activities like podcast, short videos on important topics etc. are available to students. Short term courses were also conducted using online mode. Students have access to inflibnet. They are encouraged to undertake courses on Swayam platform. Faculty members are encouraged to use blended mode of teaching

CURRICULAR ASPECTS	
1.1 - Curriculum Planning	
1.1.1 - Institution has a regular in house practice of planning and/or reviewing, revising curriculum and adapting it to local context /situation. Describe the institutional process of planning and/or reviewing, revising curriculum and adapting it to the local context in not more than 100 - 200 words	
<p>The Institution is affiliated to the University of Kerala and hence the curriculum for the B.Ed. and M.Ed. courses are prepared by the University . Following the outbreak of the second phase of Covid -19 pandemic a lock down was imposed on educational institutions from June to september 2021. Before planning activities related to curriculum, meeting of staff council was convened to review and revise the programmes . The meeting put forward various practical suggestions , the most important being the shift from offline to the on-line mode of teaching. Discussions, demonstrations and Practice teaching wereplanned to conduct in online mode. In order to help the students and teachers to overcome the difficulties associated with online teaching</p>	

-learning process, webinars and online workshops were planned on ICT related topics. To adapt with this context the institution also planned to implement a learning management system for students and teachers. It was also planned to allow students to submit their assignments through email or WhatsApp. Midterm examinations were planned to conduct in online mode.

1.3 - Curriculum Enrichment

1.3.1 - Curriculum of the institutions provides opportunities for the students to acquire and demonstrate knowledge, skills, values and attitudes related to various learning areas Describe the curricular thrusts to achieve the following in not more than 100 - 200 words each A fundamental or coherent understanding of the field of teacher education Procedural knowledge that creates teachers for different levels of school education skills that are specific to one's chosen specialization Capability to extrapolate from what one has learnt and apply acquired competencies Skills/Competencies such as: Emotional Intelligence, Critical Thinking, Negotiation and Communication Skills, Collaboration with others, etc.

The institution follows Curriculum of University of Kerala which offers a paper on Environmental Studies as part of the syllabus for B.Ed. students. A five-day Residential community living camp is also included in the curriculum. Students undertake community surveys, project works and Action Research on pressing social and environmental issues in and around their immediate locality. A number of activities are carried out to foster human values and professional ethics among the students. Classes and discussions on social issues, public health, gender issues etc are also held. Nature Club and Biodiversity club of the college has been spreading awareness among students and the larger community about threats to our environment and the need to promote sustainability through its activities and maintaining a plastic -free college campus. Institution integrates contemporary issues relevant to Gender, Environment and Sustainability, Human Values and Professional Ethics into the Curriculum and are reflected in the implementation of programmes. Desirable civic attitudes and values finds expression through the celebration of National Days such as National Integration Day, Gandhi Jayanti, Independence Day ,and also World Environment Day, Water Day. Internship programme in schools provides a platform to apply what they have learned in terms of skills and competencies

1.3.2 - Institution familiarizes students with the diversities in school system in Indian as well as international and comparative perspective. Describe in not more than 100-200 words how students are familiarized with the diversity in school system in India with respect to: Development of school system Functioning of various Boards of School Education Functional differences among them Assessment systems Norms and standards State-wise variations International and comparative perspective

One of the core papers entitled Education in Indian Society enables the student teachers to have a detailed understanding of the school system in India and how it had evolved in a remarkable way starting from Gurukula system of the ancient period. Student teachers are briefed about the different education systems that prevail simultaneously- CBSE, CICSE, IB Curriculum and State Boards. Teachers discuss all the leading school boards in India and encourage student teachers to prepare assignments by comparing them on the basis of their teaching and assessment methods, curriculum, difficulty level and other factors affecting a student's overall development. Analysis of secondary school curriculum is done by students as part of internal works. They are also familiarised with curricula of different countries so that they could compare and analyse them with our curriculum. School induction programme assists students to understand the functioning of schools in a practical way.

1.3.3 - Students derive professionally relevant understandings and consolidate these into their

professional acumen from the wide range of curricular experiences provided during Teacher Education Programme Describe the efforts made by the institution to enable students to develop understanding of the interconnectedness of the various learning engagements and to make them ready for the professional field in not more than 100-200 words

The course delivery is a combination of different activities such as classroom contact sessions (Lectures, Tutorials and Practical), workshops, seminars, project work, internship and assignments. Student teachers are given exposure to curriculum development, of various boards of school education. The purpose being to develop the capacity of student teachers in preparing textual materials and plans for classes-VIII, IX and X . School Induction Programme is scheduled in the first semester for 5 continuous days to acquaint the student teachers with the school environment and day today functioning of the school. A School Internship programme for a period of 20 weeks, in two phases(12 and 8 weeks) is a part of the curricular area -Engagement with the Field- to develop broad repertoire of perspectives, professional capacities, teacher sensibilities and skills among the prospective teachers. During this period the student teacher will perform tasks related to practicing the process of preparation of material, teaching, assessment and evaluation, participate in all academic activities of the school under direct supervision, learn to set realistic goals in terms of learning, curricular content, and pedagogic practices, choosedesign, organize and conduct meaningful classroom activities. and associate with children in multi-socio-cultural environments.

2.2 - Honoring Student Diversity

2.2.1 - Assessment process is in place at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students Describe the assessment process at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students, in not more than 100-200 words.

Programmes to identify learner's academic diversities are started from the very beginning of an academic year. The first step was to collect the detailed biodata of learners. As a follow-up to understand the academic diversity, a teaching aptitude test along with subject knowledge tests was conducted. With continuous followups with PTA meetings, we were able to get acquainted with the socioeconomic background of each learner and provide the correct and effective support to the needy. By conducting teaching aptitude test, we will be able to define learner's natural ability to perform teaching. After identifying learner's diversity and needs with conjunction with their socio-economic backgrounds, the next key step is to assess the performance of learners. Their subject matter knowledge will also be tested as an entry level assessment. Mentoring and remedial teaching are included to provide academic support to learners. The more the details uncovered from a learner helped to give them more effective development measures and individual attention through follow-ups. For the evaluation and promotion of student's research culture a research project is included which is assessed by internal evaluation followed by an external viva voce.

2.3 - Teaching- Learning Process

2.3.1 - Multiple mode approach to teaching-learning is adopted by teachers which includes experiential learning, participative learning, problem solving methodologies, brain storming, focused group discussion, online mode, etc. for enhancing student learning Describe the varied modes of learning adopted and their basic rationale for adopting such learning mode/s for different courses of each programme in not more than 100-200 words.

Teachers are using multiple modes of teaching which includes participative learning, problem solving methodologies, online learning and focus group discussion for enhancing student learning. All of these methodologies are used in variety of ways to support B.Ed and M.Ed courses. Students can recognize the importance of using these strategies in teaching as well as completing learning objectives. It positively influences their creative thinking and efficiency in learning activities. Teacher efforts are used to suit different topics and different subjects. Participatory learning helps to increase team spirit and healthy competition in students. Brain storming and experiential learning are practiced in classroomsto enhance teaching -learning process. The rationale for using multiple mode approach to teaching -learning process is that, this will enable the future teachers and teacher educators to become more effective in their own classrooms.

2.3.5 - Continual mentoring is provided by teachers for developing professional attributes in students Describe in not more than 100-200 words the nature of mentoring efforts in the institution with respect to working in teams dealing with student diversity conduct of self with colleagues and authorities balancing home and work stress keeping oneself abreast with recent developments in education and life

Teachers provide mentoring to the students for developing professional attributes and considering the learning diversities to a great extent. At the very beginning stage of the academic year mentors are employed by the institution, assisting students to help them find the academic path and their aptitude and interests. The mentors offer advice, provide information and helps, access their academic performance, and equip to find future opportunities aligned to their interests Collaborative as well as cooperative learning strategies are the core aspect of the process when teacher becomes the mentor. Teachers have been making desirable changes in their teaching process to suit to the changing learning approaches and participating in professional courses and orientation to keep abreast of the latest trends in education. Teachers also try to apply the knowledge gained from those courses in their classroom. They also consider the individual differences and try to identify learning difficulties in children. Creating team spirit and tolerance in children enables them to actively participate in the learning process and complete courses with confidence. As mentors and mentees work as a group, diverse needs of students could be easily identified and it becomes easier for the mentor to effectively assist students.

2.3.7 - Teaching learning process nurtures creativity, innovativeness, intellectual and thinking skills, empathy, life skills etc. among students
As our institution is moulding future teachers and teacher educators, teaching-learning process emphasises nurturing creativity, innovativeness, intellectual and thinking skills, empathy, life skill etc. Students are given opportunities to prepare innovative products, learning aids and lessons so that they could foster their creativity and innovativeness. It is compulsory for students to develop two innovative works during their BEd course. Interactive sessions to develop life skills/soft skills helps them to understand and apply them. As a part of their elective course they are learning about different types of thinking skills. They practice their knowledge by developing rubrics to assess these skills. Students are involved with community activities to understand their community so that

they can empathize with their fellow beings..As a part of Socially Useful Productive Work students prepare creative and innovative products, from waste materials.

2.4.8 - Internship programme is systematically planned with necessary preparedness Describe institution's preparatory efforts at organizing internship programme in not more than 100-200 words with respect to the following: Selection/identification of schools for internship: participative/on request Orientation to school principal/teachers Orientation to students going for internship Defining role of teachers of the institution Streamlining mode/s of assessment of student performance Exposure to variety of school set ups

Internship is a part of the curricular area of 'engagement with the field' designed to lead to development of a broad repertoire of perspectives- Professional capacities, teacher sensibilities and teaching skills among the prospective teachers. School Internship program consists of two phases that is with the duration of 10 weeks in 3 rd and fourth semesters. Students are

directed to select the school from the permitted list of schools according to their convenience. They collect the portion from concerned school teachers to structure their lesson plans and to get them duly approved by the optional teachers. Attendance sheet is entrusted with HM or principal of the concerned school. Regular monitoring by optional teachers and general teachers is carried out with strict vigilance. Also daily monitoring is done by the respective subject teachers of the schools and they mark their reviews in the assessment schedule provided by the college. Directions are given to Student teachers to engage in subject club activities and extension activities associated with the internship program. Students are also advised to provide remedial measures for needy school children of their class they have to upload their internship experience in the blog weekly.

2.4.11 - Institution adopts effective monitoring mechanisms during internship programme. Describe in not more than 100-200 words, the monitoring mechanisms adopted to ensure optimal impact of internship in schools with specific reference to the role of teacher educators, school principal, school teachers and peers.

The institution adopts effective systematic and structured monitoring mechanism of every student teacher after collecting portions from concerned subject teachers of the school. Student teacher writes daily lesson plans and each is verified by their optional teacher. Optional teacher observes a minimum of 5 classes of each student at various stages of their internship. In each phase necessary suggestion were given after observing a class. Observation of internship is jointly done by teacher educators and concerned subject teachers of the institutions where internship is taking place. Optional Teacher verifies student teachers' blog updation on a biweekly basis. Subject teachers also contribute to the monitoring program by giving representative grades for each student teacher through their daily observation. An evaluation schedule is provided to subject teachers at the internship school for the observation and evaluation of the performance of student teachers. After the completion of internship every student teacher has to submit all the records, achievement test, diagnostic test reflective journal etc. to the optional teachers and they are also verified.

2.5.4 - Teachers put-forth efforts to keep themselves updated professionally Describe the nature of efforts by teachers to keep themselves updated professionally in not more than 100-200 words
 1. In house discussions on current developments and issues in education
 2. Share information with colleagues and with other institutions on policies and regulations

Through discovering new teaching strategies through professional development programme for teachers, educators can go back to the

classroom and make changes to their teaching styles and curricula to better their students' needs. Professional development for teachers can help teachers to plan their time better and stay organized. Innovative assessment styles, teaching techniques and new approaches makes them more effective in their presentations and course assessments. Professional development gives them a chance to step out of their routine-they become a student rather than a teacher. It nurtures the skills of teachers and make them willing to take on leadership positions in education, and teachers need to learn from other experienced leaders to become effective leaders themselves in future. After all these activities help to develop skills, knowledge, expertise and other characteristics as a teacher. Our institution encourages faculty members to participate in various faculty development programmes to keep themselves updated professionally.

2.6 - Evaluation Process

2.6.1 - Continuous Internal Evaluation (CIE) of student learning is in place in the institution
Describe details of the Continuous Internal Evaluation in the institution highlighting its major components in not more than 100-200 words

CIE takes care of both theoretical and practical aspects of the programmes offered. The progress of students is monitored through a process of continuous internal assessment. Continuous assessments include their performance in assignments, seminars, mid-semester examinations, capacity building programmes, school based and community-based activities, peer teaching, field work, practicum, self-development programmes (SDC) etc. Subject knowledge competency is assessed through regular tests. Students are initially trained through discussions demonstration classes, microteaching etc. and opportunities are provided for taking criticism classes and suggestions are provided. Following this, students are given practical experiences in actual school environment through school induction (5 days) and two spells of practice teaching stretching for 10 weeks in the 3rd and 4th semesters respectively. These tangible experiences are utilized for correction, evaluation, and improvement. Observation of classes is done by the optional teacher concerned and general teachers and the mentoring teachers in schools. Evaluation is done based on specific evaluation criteria. Immediate feed backs are

given for improving the quality of teaching. For the evaluation and promotion of student's research culture a research project is included which is assessed by internal evaluation followed by an external viva voce.

2.6.3 - Mechanism for grievance redressal related to examination is operationally effective

Complete transparency is maintained in internal Assessment by following the criterion of affiliated university. Corrected answer papers are distributed to students and addresses their grievances immediately at the department level itself. The CE marks obtained by the students in internal assessment tests are uploaded periodically on the university web portal along with their

attendance. For assessing the teaching competence, the marks/grade scored by the student are indicated in the observation/record maintained by the optional teachers using an evaluation schedule during practice teaching and internship. Redressal of grievances at institute level start first at the Departmental Level. In the case of any grievances students are free to interact with the concerned teacher and get it resolved. A teacher will be in charge of theory examination for the smooth conduction of the internal as well as university examination. If students are facing any problems, they are solved by the Chief Examination Officer along with the principal. The grievances during the conduction of online/theory examinations are considered and discussed in consultation with the Principal and if necessary forwarded to the university .

Academic calendar of the Institution with seal and signature of the Principal	View File
Any other relevant information	No File Uploaded

2.6.4 - The institution adheres to academic calendar for the conduct of Internal Evaluation Describe the mechanism of adhering to academic calendar for the conduct of Internal Evaluation in the institution in not more than 100-200 words.

An academic calendar is prepared including all the activities to be evaluated according to the curriculum and within the period allotted for each semester in the university calendar. Internal evaluation on the basis of assessment criteria is carried out for the practical works associated with each theory paper of each semester prescribed in the curriculum. The tasks comprise seminars, assignments, capacity building programmes, blog, online assignments, practicum practical works, tool development, field study, school based activities, subject association activities, preparation of digital album, video scripting, innovative works, cognitive maps, mid semester examinations model examinations, reading and reflecting on texts, observation of model video lesson and reporting etc. Time allocation is there in the academic calendar for school induction programme, the school internship extending a period of 12 weeks and 8 weeks micro teaching practice, theatre practice, field trip, five days community living camp, minor project/ case study /action research, yoga and vocational education for which internal assessment is there. concerning the post-graduate department Curricular activities like self development courses assigned in each semester, internships,

twinning program midterm examination, model examination etc. counted for internal evaluation are clearly marked in the academic calendar and adhered to strictly.

2.7 - Student Performance and Learning Outcomes

2.7.1 - The teaching learning process of the institution is aligned with the stated PLOs and CLOs. Describe the way in which institution ensures alignment of stated PLOs and CLOs with the teaching learning process in not more than 100 - 200 words.

For developing clear concepts and to aid in the intelligent application of what is acquired different classroom transaction methods are adopted viz group discussion, seminar, multimedia approach, peer tutoring, assignment, reflective practices debates, etc in addition to meaningful verbal expression. Innovative practices are encouraged to develop divergent thinking to aid them as problem solvers. Proper integration of theory and practice is cared to through multi level strategies -school based, college based and community based activities, for enhancing teaching competencies needed for their professional development. Capacity building programmes add flavor to this endeavour. Conscientisation programmes organized in schools after getting a theoretical back up helps trainees get a realistic outlook of various social, intellectual and environmental issues and challenges .To inculcate reading habits in the prospective teachers and to instill in them the vision and capabilities required to become reflective practitioners, which is an expected outcome of the course an activity named reading and reflection is practiced. Our institution ensures training our students to have the ability to develop an insight and to reflect and critically examine any issue they come across. There by the teaching learning process is aligned to the stated PLO's and CLO's for enhancing quality of teacher education.

Any other relevant information	No File Uploaded

2.7.3 - The progressive performance of students and attainment of professional and personal attributes in line with the PLOs and CLOs is monitored and used for further improvements

The progressive performance of students is mainly monitored based on three components -Theory, CE (Practical work related to theory) and other related practical works. Internal works comprise practicum, assignments, seminars, practical, capacity building programmes, blog creation, reading and reflection, Conscientisation programme, class tests, mid semester examination etc. Students are sent for an induction programme to get acquainted with the working of an institution. Model video lessons, discussion classes, demonstration by experts, micro teaching, criticism classes etc. are carried out for further improvements. The significant part of gaining practical experience for enhancing professional competencies is made possible through two spells of internship programmes. Here assessment is made by the teachers, peers and school mentors. Records are maintained for noticing progress in performance. Theoretical knowledge regarding e-content preparation, blog creation etc is introduced in the core paper and optional paper in the first semester followed by practical sessions in the second semester. Yoga, health and physical education, art and aesthetics, vocational work education, community living camp, twinning programme etc. are internally assessed and records maintained. Thus, the college based, school based, community based, activities of prospective teachers are duly assessed so as to materialize the learning outcomes envisioned.

2.7.5 - Performance of students on various assessment tasks reflects how far their initially identified learning needs are catered to. Describe with examples the extent to which the assessment task and the performance of students reflect their initially identified learning needs in not more than 100 -200 words.

Programs to identify learner's academic diversities were started from the very beginning of an academic year. A teaching aptitude test along with subject knowledge tests was conducted. By conducting teaching aptitude test, we are able to define learner's natural ability to perform teaching. By conducting subject knowledge tests we were able to find the strength and weakness of each learner in their subject area, and by following up regularly to overcome the weak points helps the learners to display their subject expertise as they transform from learner to teacher. Discussion and demonstration lessons help to improve the theoretical knowledge in teaching and teaching aptitude of the learners. Criticism lessons helps to understand the practical implementations of the theory of teaching. Micro-teaching sessions improve their teaching skills under controlled conditions and feedbacks, which further improves the confidence of learners to

conduct teaching sessions to their learners. Internal marks are published and displayed before each semester exam. Thus, the assessments give a clear picture of what remedial involvements should be done to the very needy learner to get their teaching aptitude and subject knowledge on track.

3.3.4 - Outreach activities in the community in terms of influencing and sensitizing students to social issues and contribute to community development Describe the way in which outreach activities conducted sensitized students to social issues and community development in not more than 100-200 words.

The HIV/AIDS awareness programme conducted by Natural Science Association at NSSBHS, Pandalam sensitized students on the actions to prevent its transmission. A talk on 'Menstrual Hygiene and Reproductive Health' was conducted on 24th January to develop and access safe and affordable sanitary materials to manage their menstruation, decrease the risk of infections and develop positive menstrual hygiene practices. The National Webinar on 'Wetlands as a tool for flood control and prevention' organized by Geography Association on February 4th upheld the importance of wetlands as real sources of water beds. Sabari Nature club in collaboration with IQAC and Agricultural office, Kadakkad distributed seeds and

plant saplings to school and college students as part of World Environment Day to mark the importance of planting trees and plants. World Ozone Day observed on September 19 initiated conversation and spread awareness on the depletion of the Ozone layer which is a global issue. Wildlife day celebrated by Sabari nature club and IQAC at NSSBHS, Pandalam raised awareness on protecting wildlife, an important social issue. The training programme on mushroom cultivation for kudumbasree workers helped students to connect themselves with community. All these programmes were fruitful to sensitize students to social issues and community development.

INFRASTRUCTURE AND LEARNING RESOURCES**4.1 - Physical Facilities**

4.1.1 - The institution has adequate facilities for Teaching- Learning. viz., classrooms, laboratories, sports field, fitness center, equipment, computing facilities, sports complex, etc. for the various programme offered Describe the adequacy of facilities for Teaching –Learning as per the minimum specified requirement by statutory bodies in not more than 100 - 200 words

The institution ensures adequate availability and optimal utilization of physical infrastructure as it is critically linked to the vision of the college. The institution has manageable infrastructure facilities to keep pace with academic growth. The college has built up excellent infrastructure and learning resources as per NCTE norms. The main academic block has administrative office, principal room, five class rooms, physical education staff room, one multipurpose hall, store room. Library block has a library and Natural Science and Physical science class rooms with lab facilities. New Block has staff room, psychology lab, arts and crafts room, seminar hall, research room, computer lab, gymnasium and social science class room. The seminar room is furnished and is supported with LED system and can accommodate 100 students. The sports room is well-spaced and fitness equipment are well arranged and opened for students according to their convenience and time approved by college. M.Ed. Block has staff room, class rooms with LCD facilities and library for M.Ed. students, yoga room and open space for various academic and cocurricular activities. All the blocks are provided with water supply and clean toilets. Other facilities offered include 24 hour running water, TV, generator to back up electricity and clean drinking water. The campus also has enough space for outdoor and indoor games like shuttle badminton, carrom, chess etc.

4.2 - Library as a Learning Resource

4.2.1 - Institution has adopted automation of library using Integrated Library Management System (ILMS) or any other software Describe the features of Library Automation in not more than 100 – 200 words.

The computerization of the library is done through software called "Grandha". All college books and Thesis are barcoded by Grandha Software. M. Ed and B.Ed. are the two sections in which the text is barcoded. The names of the children and their department were uploaded through the Grandha software at the time of admission. Students will get the admission number at the time of admission. It will be on their ID card. Text is issued to children using that number. The name of the text can be easily uploaded in the grandha using the text barcode. The text should be returned or renewed within 14 days, unless they will be fined. we can know the renewal details through Grandha software. The full statistics of the library can be found in the Grandha. The name of the books, its author, other details about books can also be known through this software. So, it's easy to find a book from library

Describe policy details of systems and procedures for maintaining and utilizing physical, academic and support facilities in not more than 100 - 200 words

The institution has established systems and procedures for maintaining and utilizing physical, academic and support facilities. The library has a physical and digital catalogue system. All students can use the reading room and reference space according to their requirements. Every year chemicals and apparatus and other objects required for lab activities are purchased. Students are given sufficient time for conducting experiments in the lab. Computer lab is utilized by the students as required. ICT practical works and online examinations are conducted in the computer lab with 25 students at a time. The sports room is well-spaced and fitness equipment are well arranged and opened for students according to their convenience and time approved by college. College uses a stadium which is common for all the institutions in the campus. Facilities for table tennis and caroms are also available in the college. Placement centre functioning in the institution helps the student to find out employment opportunities. All the blocks are provided with water supply and clean toilets which are maintained properly and periodically. Staff council headed by the principal oversees the maintenance of buildings, classrooms and laboratories and also conduct periodic checks to ensure the efficiency/ working condition of the infrastructure.

5.3 - Student Participation and Activities

5.3.1 - Student council is active and plays a proactive role in the institutional functioning Describe the ways in which student council plays a proactive role in the institutional functioning and contribute for students welfare in not more than 100 - 200 words

Gandhi Jayanthi was celebrated on October 2nd 2021 through Google Meet Platform in association with Pandalam Municipality. The programme was inaugurated by the Principal Dr. P G Ajimol. All religion prayers, various cultural programmes, and video presentations were organized in connection with the programme. Freshers' day was conducted on December 14th 2021 to welcome the Newly admitted B.Ed and M.Ed. students. College celebrated Independence Day and Republic Day with various programmes. College union celebrated various important days and festivals like Onam and important days such as world Environmental day, women's day, Human Rights Day, Teachers' Day etc. Union also took initiatives to conduct annual athletic meet, arts festival, field trips and study tours. Union also organized community living camp for five days. Organisation of these programmes assists student council/college union to offer their contribution towards

institutional functioning and welfare of students.

5.4 - Alumni Engagement

5.4.1 - Alumni Association/Chapter (registered / non-registered but functional) contributes significantly for the development of the institution Describe the role of alumni association in the development of institution in not more than 100 - 200 words highlighting two significant contributions in any functional aspects

Our alumni association is a non-registered one. It is actively functioning with the help of a WhatsApp group. Alumni members visit the institution during the first week after class starts for the new batch. They interact with new students. They motivate them by sharing their experiences. Alumni members donate books useful for both students and teachers to the library. Among our faculty members five are alumni of the college. They are contributing to

the development of the institution through curriculum delivery and other activities related to the college. Alumni members are invited to take demonstration classes for students before practice teaching. Certificates for best outgoing students in BEd and MEd are provided by alumni. Alumni members participate in IQAC meeting and contribute their expertise in quality enhancement of the institution. Available placement opportunities will be shared in the group by alumni members to help the non-employed members in placement. Alumni members act as resource persons for short term courses conducted by the institution..

5.4.4 - Alumni Association acts as an effective support system to the institution in motivating students as well as recognizing, nurturing and furthering any special talent/s in them. Describe the mechanism through which Alumni Association acts as an effective support system to the institution in motivating, nurturing special talent in not more than 100 - 200 words

Alumni Association acts as an effective support system to the institution in motivating students as well as recognizing, nurturing and furthering any special talents. At the beginning of each academic year alumni members will be invited to the institution. They will be sharing their success stories in their respective career during their interaction with new students. They also share how college has contributed in their all-round development by providing emphasis on both curricular and co-curricular activities. The members provide academic and career advice for the students. This is especially done with the help of their WhatsApp group. The institute takes feedback from all Alumni members and is used to motivate the students. Since alumni members are active in IQAC they often suggest organizing activities to nurture the talents of students both in academic and non-academic areas. Alumni members also participate as judges in cultural and sports competition. Their involvement in outreach activities also inspires students to understand the significance of community involvement.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership and participatory mechanism in tune with the vision and mission Describe the vision and mission statement of the

institution on the nature of governance, perspective plans and participation of the teachers, students and non-teaching staffs in its decision making bodies of the institution in not more than 100 - 200 words.

Our vision states 'yoga karmasukowsala' meaning "Skill in Action is Yoga". Our mission is "Working in a rural ambience, we set to inculcate professional skills and a spirit of commitment among our students, especially to build up a resurgent rural India." The vision and mission provide an inspiring frame of reference for both teachers and students in the college. The institution follows a democratic system of leadership and collaborative participation mechanism for all the activities. All the decisions are taken in an open discussion in the staff meeting. Students' suggestions are also considered in the decision-making process. The institution conducts various activities to enhance the quality aspects through the inclusion of all the stakeholders in the decision-making process. The institution has a good function PTA which caters to the needs of the institution. At the beginning of every academic session, meetings are held to plan programmes for the session. Feedback mechanisms and review meetings are held to record the progress of activities. The day-to-day functioning of the college is monitored by different committees and decision making bodies. Follows the National and State Government rules and guidelines given by NCTE, UGC and University in the decision making process.

6.1.2 - Institution practices decentralization and participative management Describe the process of decentralization and participative management practiced in the institution in not more than 100 - 200 words

The institution has various decision-making bodies with members from teaching, non-teaching, students and parents. The college management gives freedom to the institution to manage its daily affairs. The policy decisions are taken by the management in

consultation with the college authorities. PTA is formed every academic year and a general body meeting is held to elect members of the executive council. Planning of various institutional activities is done in the PTA meeting after receiving suggestions from both parents and teachers. PTA meetings are held at regular intervals to discuss various matters. Academic and administrative decisions are made in staff meetings. The internal quality assurance cell of the college chalk out different academic and non-academic programmes to improve the quality. All the decisions taken in the IQAC meeting are based on the ideas and suggestions given by faculty members, alumni representative, members representing our local education community and student representative. All other decision-making bodies such as anti-ragging committee, anti-sexual harassment committee, discipline committee and grievance redressal committee function in a pattern where decentralization and participative management are given due significance

6.1.3 - The institution maintains transparency in its financial, academic, administrative and other functions Describe the efforts of the institution towards maintenance of transparency in its financial, academic, administrative and other functions in not more than 100 - 200 words.

The day-to-day income received and expenditure incurred is accounted for and documented in various registers of the college and the principal countersign each register regularly. The financial accounts are audited yearly under various heads at different strata like Management and external level. PTA executive meetings are held at the beginning of the academic year and the income and expenditure report is presented and clarifications are given where ever necessary. The budgeting of the PTA account is passed in the executive meeting. Academic transparency is maintained in the institution. Internal marks are displayed on the notice board. Periodic examinations are held to monitor students' progress. At the end of each semester, open discussions is held in the college to discuss the issues and changes needed in their academic aspects. The admission is done strictly following University and State norms. Applications are sort out in the institution and rank list are prepared strictly adhering to the rules. The rank list is published on the college website and

notice board. Admission cards showing fee details are sent to eligible candidates.

6.3.5 - The institution has a performance appraisal system for teaching and non-teaching staff Describe the process of performance appraisal system for teaching and non-teaching staff in not more than 100 - 200 words.

The institution has a performance appraisal system for both teaching and non-teaching staff. The performance of each faculty member is assessed according to the Performance Based Appraisal System (PBAS). Both the annual appraisal and promotions are based on the PBAS proforma for UGC Career Advancement Scheme (CAS). The PBAS proforma filled by the Faculty Member is checked and verified by IQAC. Faculty members whose promotions are due are recommended based on Performance Based Appraisal System and are required to appear before the screening-cum-selection committee. All non-teaching staff are also assessed through annual performance appraisal. The proforma used for assessment of non-teaching staff is prepared by IQAC. The Performance Appraisal System is helpful in motivating the staff, because analyzing the strengths and weaknesses can ensure a better performance.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources are in place. Describe the procedure of mobilization of funds and its optimal utilization in not more than 100 - 200 words.

For PD account direct purchase is made up to an amount of Rs.10000/- and purchase is made through quotation up to Rs.100000/- and for purchases above Rs.100000/-open tender is invited as per rules. Decisions regarding the execution of

different academic programmes and projects are taken after discussion in staff meeting and PTA executive meeting. A meeting of purchase committee discusses the specifications and according to the specifications quotation-tender is invited and selects the lowest ones. For the mobilization and utilization of PTA fund, PTA executive committee convenes regular meetings and sanctions allotment of funds for daily expenditure and academic matters. An annual amount up to Rs.10000/- is directly sanctioned by the committee and for an amount exceeding Rs.100000/- seeks approval from the manager. Decisions of the staff meetings are discussed before PTA executive committee and necessary requirements are approved and forwarded to the principal. Another fund included is RUSA fund for innovation and construction of building. All such works were monitored by Nirmithy Kendra and proper records are maintained in the office. Mobilisation of fund is done with the approval of project monitoring committee and office proceedings as directed by state government and the fund is transferred through PFMS.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) or any other mechanism has contributed significantly for institutionalizing the quality assurance strategies Describe the process adopted by the institution for quality assurance through IQAC or any other mechanism in not more than 100 - 200 words

Internal Quality Assurance Cell functions with the purpose of quality enhancement of the institution. Regular meeting of IQAC helps the institution in organizing quality enhancement programmes. Our institution conducts IQAC meetings three times in one year. Annual Quality Assurance Reports are sent under the leadership of IQAC. Our institution has submitted Annual Quality Assurance Reports up to the academic year 2020-21. Feedback collected from students, teachers and alumni are analysed by IQAC. Recommendations are given based on feedback analysis so that the institution can develop more in terms of quality. IQAC was involved in organizing webinars and short term courses. IQAC is committed to have collaboration with various institutions. This include Department of Geography, University of Kerala, Toss

academy, thodupuzha, District medical office, Pathanamthitta, Koduman Gramapanchayath, Pandalam etc.

6.5.2 - The institution reviews its teaching-learning process periodically through IQAC or any other mechanism Describe the process adopted by the institution for reviewing Teaching-Learning Process periodically in not more than 100 - 200 words.

The institution reviews its teaching-learning process periodically through IQAC and takes steps to improve the quality of the teaching-learning process. Feedback given by students, teachers and alumni are properly analysed and shared with the principal and faculty members for making appropriate changes and to implement necessary improvements. A large number of webinars and short term coursed on various topics were arranged as part of curriculum development. Eminent and renowned educationists and academicians from within and outside the state were invited for this purpose .IQAC motivates the students and faculty members to use ICT. During the time of online teaching IQAC reviewed teaching learning process and recommended to establish a learning management system for the institution. After reopening IQAC encouraged faculty membersto use a hybrid mode of teaching-learning to continue the use of learning management system. IQAC also arranged academic collaborations with other institutions to improve teaching -learning process.

6.5.5 - Institutions keeps track of the incremental improvements achieved in academic and administrative domains of its functioning through quality assurance initiatives For first cycle: Describe two examples to show incremental improvements achieved within the institution during the year in not more than 100 - 200 words each For second and subsequent cycles: Describe two examples to show incremental improvements achieved within the institution due to quality initiatives since the previous accreditation in not more than 100 - 200 words each

Research Centre

Our research centre has been established in 2015 for promoting research in education and developing research culture among teachers, student teachers and research scholars. Our institution is acting as a channel for development and transmission of knowledge besides organizing research colloquiums and seminars at national and international level so that we can meet the required standards of research excellence. All research activities have been managed by the research team in the college. To maintain a remarkable momentum, our research centre has been promoting collaboration between other research centres in university and other institutions. During this academic year a national webinar was conducted in collaboration with alumni association, School of pedagogical sciences, MG University. Research centre also organized a web series on research topics.

Collaboration

After the second accreditation IQAC gave more emphasis in forming academic collaborations with other institutions within and outside the state. Our institution organized various activities in collaboration. Two weeks workshop on biodiversity conservation was organised in collaboration with Central Academy for State Forest Service, Dehradun. Webinars were organized in collaboration with Department of Geography, University College, Thiruvananthapuram, Maxweber institute of social science and District Medical Office, Pathanamthitta. Training programmes and awareness classes were organised in collaboration with Kerala Police, Kodumon Grama panchayath, Pandalam and Women and child development, Govt. of Kerala

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Institution has a stated energy policy streamlining ways of energy conservation, use of alternate sources of energy for meeting its power requirements Describe the institution's energy policy streamlining ways of energy conservation, use of alternate sources of energy for meeting its power requirements in not more than 100 - 200 words.

Our institution follows sustainability practices in power consumption. The building of the institution is illuminated with LED bulbs instead of the traditional lighting systems. Our motto is "energy saved is energy created". The practice of switching off or unplugging the electrical equipment such as fans, lights, computers and printers when not in use is encouraged in the whole campus. Use of Energy Efficient Equipment is encouraged in the campus. Master switches are provided for each room to shut down power of entire room when not in use. We recommend a limited use of refrigerator/freezers. We encourage the use of public transport system among students. In order to help reduce fuel use, we promote sharing system in private vehicles. Our institution has a bio gas plant. Moreover, the college adopts many measures to reduce the use of non-renewable energy resources. The infrastructure of the college was designed in such a way that it provides adequate lighting and ventilation. Due to the availability of sufficient lighting, power requirement is very low during the day time. Save energy stickers are displayed on the switch boards.

7.1.2 - Institution has a stated policy and procedure for implementation of waste management Give a brief note on the institution policy for waste management along with its implementation procedure in not more than 100 - 200 words.

The students are motivated to recycle the waste materials into attractive products. All the waste from the campus is collected and segregated into wet, dry and plastic waste. The institution implements effective waste management through waste segregation and recycling of the waste. Students and faculties work together to implement the waste management techniques in the campus very fruitfully. Dustbins are placed in every classroom, laboratory, staff room, and at different locations in the campus. All waste/garbage from college is segregated at source and disposed of in a proper manner. The degradable waste is given away to bio gas

plant and wastes like newspapers and other materials are sold to vendors. Use of plastic carry bags are prohibited in the campus. The liquid waste management is also done effectively by water conservation and prevention of water wastage in the campus. The drinking water in the campus is cleaned in every week. The life of electronic goods is extended by proper way of maintenance. Special attention is given to purchase systems with longer guarantee period. Proper utilization of electronic devices and their timely repair also helps in reducing e-wastes.

7.1.5 - Institution is committed to maintenance of cleanliness, sanitation, green cover and providing a pollution free healthy environment Describe the efforts of the institution towards maintenance of cleanliness, sanitation, green cover and providing a pollution free healthy environment in not more than 100 - 200 words

The campus is kept neat and tidy every day. We have a very good practice of cleaning the campus daily which has kept our institution clean. We provide door mats in each class and keep trash cans also. We organize cleaning day events frequently. We maintain hand soaps and toiletries in public wash areas and the practice of littering is strictly prohibited. Our student teachers regularly conduct awareness classes on the importance of cleanliness and pollution free environment in nearby schools as part of the capacity building programmes. The Institution is committed to managing its campus in accordance with responsibilities towards promoting sustainable environment. Our institution has taken up various initiatives to maintain a nature friendly campus. The campus is full of greenery and is kept clean and tidy. The gardens, medicinal plants and other plantations inside the campus is maintained and nurtured periodically by our students with the help of teachers. Every year during the monsoon period, tree plantation is carried out and deceased plants are replaced. Several Quotes related to the importance of clean and green environment are displayed on the campus.

7.1.8 - Institution puts forth efforts leveraging local environment, locational knowledge and resources, community practices and challenges. Describe institution's efforts showcasing the way it leverages local environment, locational knowledge and resources, community practices and challenges in not more than 100 - 200 words

Our college always maintains a community-friendly attitude in all the ways possible. We make an effort to meet the most pressing needs in the community in whatever way we can. In order to foster mutual understanding and trust, we organised lecture series led by distinguished individuals from many walks of life, community living camps, and other educational and cultural exchange initiatives. At nearby schools, the college runs capacity-building programmes on a variety of social issues. The highlights in this regard include various programmes like interactions with teachers

who are local community members, awareness classes taught by experts and psychologists, etc. Institution also organised training programmes in collaboration with Police department, Kudumbasree, District medical office etc. This is how our students are taught so that they are constantly keen to engage in positive interactions with the local community and educational institutions on a daily basis.

7.2 - Best Practices

7.2.1 - Describe at least two institutional best practices (as per NAAC format given on its website)
Describe any two best practices successfully implemented by the institution as per NAAC format

I

Title

Awareness of an Immaculate and Verdant Environment

Objective

To establish a Green and Sustainable Campus

The Context

The college held different awareness activities to make the campus Plastic Free and Green .

The Practice

Webinar on Climate Change, workshop on forestry and ecosystem, Poster, Collage and Slogan competitions, Webinar on Wetland actions for People and Nature.

Evidence of Success

The publicity of the lecture series is promoting open learning process on campus.

Problems Encountered

Unavailability of renowned scholars at the convenience of both parties.

II

Title

Instilling a research spirit with an investigative outlook for accelerating technological growth

Objective

To enhance the quality of undergraduate and postgraduate projects,

as well as publishing papers in esteemed journals.

The Context

Continuous research and development have become necessary This prompted the college to increase its research activities.

The Practice

To instil research efforts, research Centre of the College has organized an exploratory webinar series. "A to Z of Research".

Evidence of Success

The degree of involvement by the audience, can be used to quantify the success of research talks.

Problems Encountered

In the setting of a webinar, the absence of a face-to-face interaction may have affected its quality.

7.3 - Institutional Distinctiveness

7.3.1 - Performance of the institution in one area of distinctiveness related to its vision, priority and thrust Describe the institutional performance in one area of distinctiveness related to its vision, priority and thrust in not more than 100 -200 words

Our institution establishes objectives for our students to accomplish through distinct activities both inside and outside the college. Our main emphasis is on providing students with rigorous training in value-added/short term courses .

One week value added course on Soft Skills for the Smart Teacher was held from September 15, 2021 onwards. Dr. Asha A.K., Assistant Professor, Aishabhai College of Education, SNDT University, Mumbai led the sessions.

A short-term course on NET/SET orientation: Chemical science was offered from September 29 to October 5, 2021. The Key note speaker of the programme is Dr. Binil P Sasidharan, Asst. Professor, Dept. of Chemistry, St. Gregorious College, Kotarakara.

A national level intensive crash course on UGC NET for Geography was conducted from 5 October 2021 to 11 October 2021. Sessions were led by various resource persons.

A short-term course in NET/SET orientation: Physics was also organized running from April 25 to May 1, 2022. The session was handled by Dr. Vijayakumar S, Asst. Professor, NSS College, Pandalam.

A short-term course on NET/SET orientation: Life Science was offered from September 27 to October 3, 2021. The Key note speaker of the programme is Dr. Vinod.P, Asst. Professor, Dept. of Zoology, NSS College, Pandalam.
