N S S TRAINING COLLEGE, PANDALAM

NSS Training College, Pandalam proudly presents
“ EIGA ” - *Where Hearts Unite and Harmony Thrives*,
a luminous 5-day residential community living experience, thoughtfully
interwoven into our B.Ed. curriculum. Step into this transformative
journey from 13th to 17th October 2025. In the gentle rhythm of time, five
days await to be painted with shared laughter, enduring friendships, and
lessons that shape the heart as much as the mind.

Every sunrise will bring a symphony of activities- learning, reflecting, and
growing together —nurturing resilience, empathy, and the skills to
navigate the ever-changing canvas of life. The camp will commence on
13th October 2025 at 10:00 a.m., graced and inaugurated by
Mr. Abhilash Mohanan, Deputy Editor, Mathrubhumi News.
We warmly welcome all to join us, leaving your unique imprint on
these cherished days, and be a part of memories that will linger
long after the camp concludes.

Let the doors of EIGA open for you. Step in, leave your mark, and carry
home memories that will bloom forever. Come, be part of this journey
where bonds blossom and spirits soar.
